ADMISSIONS POLICIES AND PROCEDURES

The following states Albany Technical College's ("the College") policies and procedures governing the admissions process:

ADMISSIONS PROCESS

Admission to a Technical College System of Georgia (TCSG) college is a multi-step process which consists of evaluation of prior academic experience and assessment for postsecondary readiness of eligible applicants.

Albany Technical College adheres to the TCSG policy stated above and defines the following for the purpose of admissions to the College. Future students must:

1. Students must have successfully completed a technical certificate of credit or diploma program with a GPA of 2.5 or higher within five years of their admission.
2. 2.5 G.P.A will be calculated by Registrar and reviewed by Program Advisor.
3. General Education Development [GED®] scores of 165+ on English or Math.
4. Adult Education students demonstrating academic readiness at the secondary education level of 8th grade or higher; or completed at least one section of the GED Test with a score of 150, and/or have attained GED Ready Test Scores of 150 or higher in Reading or Math are approved for admission into Entry Level Workforce Certificates without Accuplacer testing.
5. Georgia Milestones Literature & Composition or Georgia Milestones American Literature & Composition (English admission requirement only).
6. HOPE GPA after completion of 10th grade of 2.6 or higher or high school GPA of 2.0 for approved Entry Level Workforce Certificates..
7. Assessment results will be valid for any current or previous tool utilized for placement
8. Attend the specific area of study Orientation, if applicable.
9. Register for classes during the dates specified on the Student Calendar.

TRANSFER ADMISSION REQUIREMENTS

Applicants to ATC who have been previously enrolled at a post-secondary institution will be considered for admission under the following criteria:

1. Applicants who are in good standing at their previous institution may be accepted in good standing.
2. Applicants who are on academic probation at their previous institution may be accepted only on academic probation.
3. Applicants who are on academic or disciplinary suspension will not be accepted unless they have satisfied the conditions of their suspension and are eligible for re-admission into their former college.

Applicants for transfer admission must submit the following to the Admissions Office:

1. Application for Admissions and a \$25.00 non-refundable fee;
2. Official transcript(s) from each post-secondary institution attended;
3. Official high school transcript;

NOTIFICATION OF ACCEPTANCE

Admissions Applications are processed and the names of applicants placed on a list for program admission on a first-come priority. Students are notified by regular mail, electronic mail, or in person, of their acceptance into a program, and how to register for classes.

STUDENT TRACKING AND RETENTION SERVICES (STARS)

The STARS Program supports students in building long-lasting skills needed in order to succeed and get the most out of a college education. The STARS Team works with all

College departments in developing initiatives to support the program's overarching goals by assisting first-year students. Although the STARS programs aims to assist first-year students, its benefits extend far beyond a student's first year. By approaching students from different angles, we are able to meet a greater number of individual needs. The STARS Team is committed to assisting first-year students develop self-advocacy, self efficiency, and accountability skills needed to successful.

The program targets first-semester students and consists of three key objectives:

- Encouraging the development of academic competence.
- Providing ongoing orientation to campus resources and services.
- Helping to identify early on students who require additional support.

STARS Team Members:

Retention Coordinator, Caitlin Bailey
Special Populations Coordinator, Quanta Bell
Special Needs Coordinator, Regina Watts

STUDENT LIFE

The office of Student Life supports the mission of the College by providing student engagement opportunities that promote a positive learning environment. Student Life provides a forum for students to create and express themselves through involvement in clubs and organizations, campus programs, and leadership programs. Students are encouraged to engage in activities that will enhance their social and academic goals and promote civic responsibility. A student must be in good standing with Albany Tech and have a validated student ID card for the current semester to participate in any of these activities.

ACADEMIC ADVISEMENT CENTER

The mission of the Academic Advising Center (AAC) is to provide a supportive atmosphere which promotes the educational development of the students to prepare them to be workforce ready. Academic advising is an important part of the college's commitment to students' growth and academic development. More importantly, effective academic advising can have a powerful influence on student success in the college environment. The goals of advisement focus on the development of students and embrace the following objectives:

- To provide support for increasing numbers of underprepared students:
- To ensure that academic advisement is an integral part of the college's larger mission of preparing students for their careers.
- To provide an advisement process which can significantly influence students' educational and personal growth while they seek to acclimate to the college environment.
- To provide academic advising which carries students through a decision-making process and guides them in acquiring the skills needed to develop their educational plans for accomplishing their goals.

HOW CAN WE HELP YOU?

Online Success Coaches are here to meet your needs. Because every student is different, we help design a success program to identify and address your individual needs. Success Coaches will develop an action plan and help chart your success. We encourage students to meet with their success coach on a regular basis. When needed, students will be referred to academic support services, such as supplemental instruction, tutoring or other services.

To make an appointment with a Success Coach, email AcadAdvise@albanytech.edu or visit the AAC.
