

ALBANY TECHNICAL COLLEGE
QUARTERLY BUDGET AND EXPENDITURE REPORTING FOR HEERF I, II, AND III
Q1 2022 – JANUARY – MARCH, 2022
SUPPLEMENTAL DOCUMENTATION FOR OTHER USES OF (a)(1) INSTITUTIONAL
PORTION FUNDS

Other uses of these (a)(1) funds include the following:

- **\$18,215.00** for air purifiers that meet the requirement of continued measures toward COVID mitigation.

- **\$13,222.98** for UPS costs to ship out books/supplies to students for Spring Semester. Our College monitors local COVID infection levels and we delayed the start of our Spring Semester due to a large spike in COVID cases in our community. It was determined that it would be safer for our students and our staff to close the Bookstore to the public. To avoid any financial hardship to our students for the costs to ship their books, kits, and supplies, the College absorbed all costs.

- **\$4,664.00** – Requested and received approval from HEERF project director to fund student internships for certain critical positions: Logistics and Health Care. This amount is for Logistics interns.

- **\$610.52** – Nurse Aide students must have N95 mask fittings before being accepted into clinical rotation at the hospital. The College is funding these costs to aid students in these critical programs.
