

EMBARK GEORGIA

Mission:

The Embark Georgia statewide network serves post-secondary professionals and institutions to ensure connectivity, share best practices, and provide information exchange among youth, community based stakeholders, and K-12 educators in support of former foster and homeless youth.

A statewide network that:

- Supports the development of campus based programming across Georgia for foster and homeless youth
- Connects technical colleges, universities and community providers to serve this population more effectively
- Promotes information sharing through a variety of means
- Identifies resources and supports campus efforts
- Offers trainings and technical assistance to campuses and other organizations interested in how to serve students with foster care or homeless experience more effectively
- Maintains a database of campuses in Georgia with active campus based programs to help students make informed educational decisions
